

2017 Director's Message to Hartstone Guests:

I'm so glad to have you here at Hartstone. This year we celebrate 50 years in ministry. Praise the Lord!

The mission of Hartstone is to share Christ's love by serving churches in a camp experience. You are why we are here. May we exalt Jesus Christ together in this amazing place.

This past year has been so fun to watch and be a part of. The ministry is growing in staff, finances increased camps and church partnerships. This past winter we completed a handful of projects. We renovated the Bath House and the entrance lobby area in the Dining Hall. We remodeled the back-pantry room and installed a new walk-in freezer, and completed phase 2 of the Chapel Project. Phase 2 of the Chapel Project included: New house lighting, stage lighting, new pulpit and cross mounted on the wall, drop down screen with projector and a sound system with a newly constructed sound booth in the back.

Through your financial donations, the Lord has used you to bring all these things to fruition.

The Hartstone Board of Directors and myself would like to personally thank you for all of your love, prayers, and support.

Our next goal is to complete the 3rd and final phase of the chapel project. Depending on how the Lord provides will determine how soon we can begin this last phase. We estimate the cost to be around \$125,000. Our desire in completing this chapel project is to do an addition onto the front of the chapel building. We would like to add ADA restrooms and add an additional meeting space lobby area entrance into the chapel. An HVAC system for the sanctuary and lobby and finish the outside of the entire chapel with a nice astatic finish to make it look and feel more like a chapel.

If you would like to make a financial donation to help us finish this last phase of our chapel project, please feel free to leave your gift in the feedback box to the lower right of this message board.

May God bless your time here at Hartstone and thank you for allowing us the privilege to serve you and exalt Jesus Christ together.

Not to us,
Dave Dick, Director
