

Raising the Roof

As we pause from our moment of fame, here at Hartstone Bible Camp, we reflect back at the many lives that have been touched by the love and support of family and friends.

We hosted 20 Christian camps this year, served 960 campers with the help of over 200 volunteers. Churches have been strengthened and unified; lives have been dedicated to the Lord because of your continued prayer and support.

IN 2009 MAJOR IMPROVEMENTS INCLUDED:

- The complete remodel of Madrone, Alder, Elm and Sequoia cabins. This includes foundations, new roofs, porches, floors and exterior paint.
- All new toilets, shower heads and faucets in the restrooms.
- The Raising of the River Lodge and new foundation.
(Urgent need to continue this project during 2010)

We are thankful for your generous support in the past and ask that you continue to send your tax deductible donations. This year's donations will be used to further the construction of the River Lodge which will provide the much needed space for an additional couple to serve the guests here at Hartstone. Your support is being used to change lives and create an environment where church families grow closer together through this Christ centered ministry.
