

## 2021 Director's Message to Hartstone Guests

Hello Friends of Hartstone,

**We've Survived!!!**

By God's grace, we have been able to sustain through the Coronavirus crisis. Through your financial generosity we are still alive and ready to serve Christ and His people in this amazing place. Thank you, thank you.

**We've Started!!!**

The Final Phase of the Chapel Project has begun! We have installed an HVAC system and are in the process with PG&E of doing a power upgrade for the chapel which will also upgrade the rest of camp! The drawings and permitting for the building addition is happening and hopefully, Lord willing construction will begin this next year. We still need to raise money to meet our goal. If you would like to make a donation, you can give it to me directly or put it in the "Feedback Box" on the wall to the right.

Thank you so much for all your love and support for this ministry, it's an honor to partner together with you, God Bless

Not to us, Dave Dick
